

Destiny Basketball Camp | Palm Harbor, FL... June 8th - 12th | \$250

Evangelism & Discipleship focus. This missions experience keeps you at home, but with a full commitment to the basketball camp that week.

Once again, **Coach Rex Tonkins** and his team are coming to town, and we need help in all areas: Registration, Hospitality, Medical, Coaching, Grounds Keeping, Equipment and more. Help is needed from morning until early evening, but you'll be returning to your own hot shower and bed each evening.

Dominican Republic... October 10th-17th | \$1650

Evangelism & Construction focus. We will once again be partnering with **Rick & Barb Sucher** in the beautiful villages along the coast. For those interested in the **evangelism** focus, ministry may include VBS, street evangelism, church services, and more. And for those interested in the **construction** focus, we will be partnering with a local church for building and repairs or helping families in the community.

Pastor Karen Hanson will be leading this trip.

Washington DC... October 24th - 31st | \$1000

Prayer focus. This week-long trip involves pray assignments in different strategic locations around the capital (White House, Supreme Court, US Capitol, embassy row, key monuments). We will be partnering with **YWAM DC/David's Tent** and various other intercessor groups, praying the week leading into the national elections.

We are also going to spend a day at Gettysburg (in Pennsylvania) with **Bishop Dennis Kutzner**, where he will help us focus on spiritual lessons learned from the worst battle of the Civil War. If you're an intercessor, this is the trip for you!

Pastor Barry Sullivan will be leading this trip.

Both the Dominican Republic and Washington DC trips require you to be in good health, able to walk long distances and up and down stairs and/or steep inclines, and ride in all types of vehicles. Please understand that your interest in a trip does not guarantee you will go on the trip. Church leadership decides final participation for all New Hope mission trips.

Prices and dates are subject to change slightly. Team members will be kept informed of any adjustments.
